

TURKEYFOOT VALLEY AREA SCHOOL DISTRICT

SECTION: PROGRAMS

TITLE IMPROVEMENT OF
INSTRUCTION

ADOPTED: April 20, 2015

REVISED: December 15, 2016

105.4 IMPROVEMENT OF INSTRUCTION – COMMITTEES

1. The Board and Administration shall establish committees to study problems involving curriculum on a yearly basis.
 - a. Problems to be studied should be based on needs of the curriculum as suggested by the teachers, the administration, and parent/community members.
 - b. Membership on the committees should be established by the Administration.
2. Reimbursement for services rendered shall be established by the Board.
3. Written reports of the study should be made available to the Board and the Administration.
4. The results of any State, Local, and other standardized testing programs used in the District shall be guides for making curriculum improvements.
5. Establishment of and supervising of test, etc.
