PROGRAMS FOR LIMITED ENGLISH PROFICIENCY STUDENTS
(Parental Notification for Children Identified as Limited English Proficient)**

Dear Parents,

The Turkeyfoot Valley Area School District provides an ESL program to students for whom English is not their first language and who are not English proficient. Based upon information from the Home Language Survey, students are identified to receive the IDEA Proficiency Tests to determine their need for ESL instruction.

Your child's English proficiency has been assessed using the IDEA Proficiency Tests. These results, in addition to classroom assessment results and observations provided by your child's teacher have been reviewed. As a result of this evaluation, it has been determined that your child is eligible and will be enrolled in our ESL Program.

Your child will receive ESL instruction for _____ minutes, _____ times a week. Please sign the attached sheet and return it to your child's classroom teacher. I will then contact you to discuss the program and answer any questions that you might have. In the meantime, if you have any questions, please feel free to call me at _____.

Sincerely,

ESL Teacher
