

TURKEYFOOT VALLEY AREA SCHOOL DISTRICT

SECTION: OPERATIONS

TITLE DISCIPLINARY POLICY

ADOPTED: October 15, 2018

REVISED:

<p><i>1. Purpose</i></p>	<p style="text-align: center;">DISCIPLINARY POLICY</p> <p>In support of Turkeyfoot Valley Area School District’s mission of public service to the residents of the said school district in Somerset County, Pennsylvania, the Turkeyfoot Valley Area School District provides the needed technological resources needed to access FBI CJIS systems and information in support of the agency’s mission. All agency personnel, with access to FBI Criminal systems from physical and environmental damage and are responsible for correct use, operation, care and maintenance of the information. All technology equipment: computers, laptops, software, copiers, printers, terminals, MDTs, mobile devices, live scan devices, fingerprint scanners, software to include RMS/CAD operating systems, etc., used to process, store, and/or transmit FBI CJIS is a privilege allowed by Turkeyfoot Valley Area School District, state CSO, and the FBI. To maintain the integrity and security of the Turkeyfoot Valley Area School District’s and FBI’s CJIS systems and data, this computer use privilege requires adherence of relevant federal, state and local laws, regulations and contractual obligations. All existing laws and Turkeyfoot Valley Area School District regulations and policies apply, including not only those laws and regulations that are specific to computers and networks, but also those that may apply to personal conduct.</p> <p>Misuse of computing, networking or information resources may result in temporary or permanent restriction of computing privileges up to employment termination. In some misuse situations, account privileges will be suspended to prevent ongoing misuse while under investigation. Additionally, misuse can be prosecuted under applicable statutes. All files are subject for search. Where follow-up actions against a person or agency after an information security incident involves legal action (either civil or criminal), the evidence shall be collected, retained, and presented to conform to the rules for evidence laid down in the relevant jurisdiction(s). Complaints alleging misuse of Turkeyfoot Valley Area School District’s computing and network resources and FBI CJIS systems and/or data will be directed to those responsible for taking appropriate disciplinary action.</p>
--------------------------	---

Activities will not be considered misuse when authorized by appropriate Turkeyfoot Valley Area School District officials for security or performance testing.

Privacy Policy

All agency personnel utilizing agency-issued technology resources funded by Turkeyfoot Valley Area School District expressly acknowledges and agrees that such service, whether for business or personal use, shall remove any expectations of privacy. Use of Turkeyfoot Valley Area School District systems indicate consent to monitoring and recording. The Turkeyfoot Valley Area School District reserves the right to access and audit any and all communications including electronic and physical media at rest, in transit and at end of life. Turkeyfoot Valley Area School Districts personnel under the control and management of Turkeyfoot Valley Area School District.

Personal Use of Agency Technology

The computers, electronic media and services provided by Turkeyfoot Valley Area School District are primarily for business use to assist personnel in the performance of their jobs. Limited, occasional, or incidental use of electronic media (sending or receiving) for personal, non-business purposes is understandable and acceptable, and all such use should be done in a manner that does not negatively affect the systems' use for their business purposes. However, employees are expected to demonstrate a sense of responsibility and not abuse the privilege.

Misuse Notification

Due to the increase in the number of accidental or malicious computer attacks against both government and private agencies, Turkeyfoot Valley Area School District shall: (i) establish an operational incident handling capability for all information systems with access to FBI CJIS systems and data. This includes adequate preparation, detection, analysis, containment, recovery, and user response activities; (ii) track, document, and report incidents to appropriate agency officials and/or authorities.

ISO's have been identified as the POC on security-related issues for their

respective agencies and shall ensure LASO's institute the CSA incident response reporting procedures at the local level.

All Turkeyfoot Valley Area School District personnel are responsible to report misuse of Turkeyfoot Valley Area School District technology resources to appropriate Turkeyfoot Valley Area School District officials.
