I. Review 2015-2016 Budget

Revenues and expenses were reviewed by the board. A 4% increase has been added to the health insurance and a health savings account was discussed with the new teacher contract. The health care buyout has declined this year; most employees are taking the insurance.

A special education teacher has been added to the budget due to students moving up to the high school. The special education budget, for supplies and travel, has been increased.

Meeting adjourned at 8:25 p.m.
