

MINUTES
BUILDING & GROUNDS COMMITTEE MEETING
Monday, March 21, 2016
6:00 p.m.

Board Members Present: Mike Diehl, Lisa Metheney, Terry Grove, Frank Ryan,
Terry Bender and Remy Bonnell

Administration Present: Jeff Malaspino

Staff Present: Doug Rugg

Others:

1. Box gutter/valley/roof repairs

Several quotes were received. Discussion was held whether to patch the valleys or do major repairs. The committee felt it was best to patch the roof at this point. Blanset was the lowest bid to repair the 5 porch roofs. The valleys need to be repaired. Doug will contact Blanset to see if they can do the work. The roof repairs are high on the priority list.

2. Black top seal

The committee discussed getting a quote from R&M Paving and Blout Paving and to proceed with the lowest quote for the parking lot repairs.

3. Carpet/tile floors for various classrooms

Quotes were received from Stevens Carpet One and Farris Carpet. Discussion was held for the carpet to be replaced in the Library and to replace the carpet in rooms 207, 329 and 209 with tile. Stevens Carpet One had the lowest quote.

4. Door for entry to weight room hallway

Discussion was held to replace the doors at the weight room hallway. The doors will be automated with handicap accessible. The amount of \$11,500 can be reimbursed through ACCESS funds. Alleghany Door Enterprise had the lowest quote.

5. Cafeteria tables

Cafeteria table will need to be replaced soon. Many discussions were held in regards to what the replacement tables will be. Replacement pocket tables will stick out 6" further than what we have now. Round tables with chairs were discussed but time restraints and storage are an issue. We will continue researching.

6. Update on other projects

A front end loader/bucket for the truck would like to be purchased at the cost of \$2,900 from McGrew Equipment. A new scrubber is also on the wish list.

Meeting adjourned at 7:00p.m.
